A Little About Me

When it comes to work, I've worn many hats!

My background is in graphic design and illustration, but I frequently work in event coordination, project management, and media outreach.

All good design should engage and communicate with people. Whether it's web, print media, or creating an event - my work delivers idea-driven, creative solutions that are relevant and beneficial to a client's business.

My Life at a Glance

INTERACTING

Great collaborator,
Emotionally intelligent

LEADING

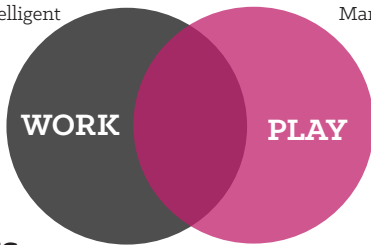

Organizer,
Motivator

CREATING

Problem solver,
Visual thinker

Qualifications & Employment History

February 2019 - current

ITEM Studio - Production Designer

Contract job working for R&R Designs owned by ITEM Studio to produce greeting cards and paper goods sold for mass market by large department stores.

March 2019 - July 2019

Lombardi Underpass Mural - Mural Artist

In 2019 I was hired as the artist for the 250ft long mural underneath the Lombardi Underpass. I became an insured muralist, hired a team of people, executed the design and layout, and completed the work in four weeks within schedule.

January 2016 - September 2017

Arlington Community Media, Inc. - Media Coordinator

At ACMi I implemented marketing campaigns, pitched and executed a full website overhaul, reimagined branding and community image, managed interns, produced television shows, and taught courses on web development and logo design.

May 2015 - November 2015

East Somerville Main Streets - NEA Grant Coordinator

ESMS was awarded a NEA placemaking grant. My work on the grant included managing the film project team, filming, editing, coordinating festivals, designing promotional materials, creating a website, intern management, and media outreach.

May 2010 - April 2015

Somerville Arts Council - Program Coordinator

Coordinated 20+ events every year for the City of Somerville. Large and small scale, some attended by thousands. This job included reviewing applications, managing project producers, pitching events, organizing workshops, leading cultural tours, writing press releases, designing print materials, creating websites, and promoting through social media.

July 2008 - May 2010

InScribe - Production Assistant

As a photoshop expert I designed seasonal invitations and worked on the floor at trade shows.

2008

Alfred University, School of Art and Design

Graduated Cum Laude Bachelor of the Fine Arts
